TCP San Antonio is the newest addition to the PGATOURS's TPC Network of premier clubs. TCP San Antonio opened for play in 2010 with 36 holes of golf designed by two of golf's most respected and innovative architects and World Golf Hall of Fame members, Pete Dye and Greg Norman.

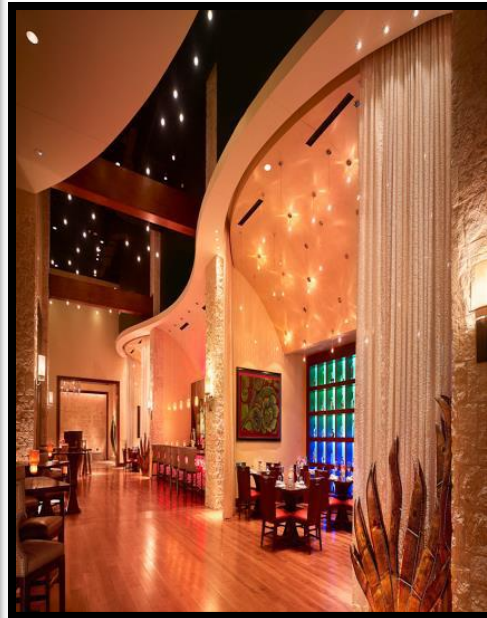

Situated inside the 2,800 rolling acres of the Cibolo Canyons development at the base of the beautiful Texas Hill Country, both the AT&T Canons Course, designed by Pete Dye and PGA TOUR Player Consultant Bruce Lietzke, and the AT&T Oaks Course designed by Greg Norman and PGA TOUR Player Consultant Sergio Garcia were built with the infrastructure to be host venues for PGA TOUR tournaments.
